GREETINGS TO OUR FATHER IN THE LORD (INTRODUCTION)

Our beloved Daddy in the Lord,

We bring you greetings in the name of our Lord Jesus Christ. The Redeemed Christian Church of God (RCCG) Europe Mainland Region 1 remains grateful to God for the many blessings that we enjoy because of your overwhelming support to see that the entire continent of Europe is taken for Jesus Christ.

In the two months covered in this report, God has remained ever faithful and gracious, and we glorify Him for the testimonies of divine intervention, divine healing, provisions and open doors shared in our churches in RCCG Europe Mainland Region1.

A major highlight for our region and for the Europe Continental Mission was the European Congress (EUROCON 2024) which successfully held in Spain, as well as the Festival of Life (FOL Slovakia 2024) which held successfully in Bratislava, both in the month of April 2024. Also in April, Pastor Mathias Akhiden0 assumed the office of the Pastor In Charge of Province (PICP) for Province 2 under EMR1. He is assisted by Pastor Hyacinth Nwosu as APICP2.

We appreciate your fatherly guidance, intense prayers and relentless effort to support our desire to see that all of Europe comes to Christ. We are grateful also for the efforts of our Mother-in-Israel in supporting the work in Europe Mainland through Africa Missions and Women Mobilization. Our prayer is that the Lord Jesus continues to bless you both with increasing grace and strength in the name of our Lord Jesus Christ. May God continue to prosper the Global Mission with His harvest in Jesus Name, Amen!

We hereby present to you the special alignment Quarter Report for RCCG Europe Mainland Region1 from April – May 2024.

APRIL

The Region joined all other regions across the continent for our **Biennial Convention tagged EUROCON 2024**. This year's event held in Madrid, Spain from Thursday 11th – Friday 12th April, 2024. Almost 100 ministers from our region were ordained as full pastors, assistant pastors, deacons or deaconesses. To the glory of God, the event was very successful and Daddy GO ministered powerfully on the theme: "Let The Wind Blow".

The Region also participated actively in the **Europe Continent 40 days of Prayers Program** that held from March 2nd to April 9th, 2024. The prayers were held in preparation for EuroCon 2024. Our region led the prayers for the last 5 days of the prayer program.

The **Special Festival of Life event** was held in Bratislava, Slovakia on Sunday April 14th 2024. Our regional leaders were there alongside other leaders from across the continent. There was a great harvest of souls in Slovakia when daddy GO made the altar call. We are grateful to God for journey mercies and for the success of the programs.

The Continental Ordained Ministers Conference (COMC) took place at the new RCCG Redemption Camp in Pierrepont, United Kingdom from April 18th – 20th, 2024. It was a glorious gathering of over 3 thousand ministers from across the continent.

AREAS REQUIRING SPECIAL PRAYERS

Key Prayer Requests

- a. God should send more committed labourers into Europe to further enhance the spread of the Gospel.
- b. Grace, wisdom and courage to make the necessary moves and adjustments that will enable us to reach the indigenes of Europe, with signs and wonders made manifest through us.
- c. God should grant that special miracles be wrought through us so that His church can multiply.
- d. Sustained prayers needed for the new leaders across the continent, and for growth, unity, healing, promotion, favour, open doors, expansion, divine intervention, marriages etc.
- e. Funding: The Parishes need funding as most Parishes are struggling to remit promptly. Majority of them are only paying rent to landlords and thus can hardly sustain themselves.
- f. The Residence Permit to Netherlands hinders ability to bring in Local Pastors. Language constraint, stringent conditions and high cost for "skilled migrants".
- g. Migration/ relocation of the brethren to English speaking countries continue to drain the limited manpower for our parishes.
