Our beloved Daddy in the Lord,

We bring you greetings in the name of our Lord Jesus Christ. The Redeemed Christian Church of God (RCCG) Europe Mainland Region 1 remains grateful to God for the many blessings that we enjoy because of your overwhelming support to see that the entire continent of Europe is taken for Jesus Christ.

In the three months covered in this report, God has remained ever faithful and gracious, and we glorify Him for the testimonies of divine intervention, divine healing, provisions and open doors shared in our churches in RCCG Europe Mainland Region1.

We appreciate your fatherly guidance, intense prayers and relentless effort to support our desire to see that all of Europe comes to Christ. We are grateful also for the efforts of our Mother-in-Israel in supporting the work in Europe Mainland through Africa Missions and Women Mobilization. Our prayer is that the Lord Jesus continues to bless you both with increasing grace and strength in the name of our Lord Jesus Christ. May God continue to prosper the Global Mission with His harvest in Jesus Name, Amen!

AREAS REQUIRING SPECIAL PRAYERS

Key Prayer Requests

- God should send more committed labourers into Europe to further enhance the spread of the Gospel.
- Grace, wisdom and courage to make the necessary moves and adjustments that will enable us to reach the indigenes of Europe, with signs and wonders made manifest through us.
- God should grant that special miracles be wrought through us so that His church can multiply greatly.

- d. Sustained prayers needed for the new leaders across the continent, and for growth, unity, healing, promotion, favour, open doors, expansion, divine intervention, marriages etc.
- e. Funding: The Parishes need funding as most Parishes are struggling to remit promptly. Majority of them are only paying rent to landlords and thus can hardly sustain themselves.
- f. The Residence Permit to Netherlands hinders ability to bring in Local Pastors. Language constraint, stringent conditions and high cost for "skilled migrants".
- g. Migration/ relocation of the brethren to English speaking countries continue to drain the limited manpower for our parishes.
